RESPONSE AND AMENDMENT

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In reply to the Office Action mailed on 15 January 2002, Applicants request the following Amendment and Response to the above-identified patent application. An appropriate Petition for Extension of Time in accordance with the provisions of 37 C.F.R. § 1.136(a) and accompanying fees are also submitted, extending the time for response to 15 May 2002.

In the specification:

Please insert the following text at the beginning of the specification:

The present invention was made, at least in part, with the support of the United States Government under grant 1 R43 AI35343-01 awarded by the National Institute of Health. The government may have certain rights in this invention.

Replace the last paragraph on page 2 with the following:
